
SKILLS TRAINER – THE CLOUD

(Non-Exempt)

Under the general direction of the Program Coordinator, this position is responsible for meeting the treatment needs of YAS clients. Skills Trainers are directly responsible for a caseload, with clients ranging in age from 5 years to 21 years of age. Skills Trainers must exercise sound judgment and demonstrate effective communication skills. This position must have the capability to provide behavioral interventions and to teach problem solving. Skills Trainers must conduct their professional life as a socially appropriate model for YAS clients.

“Skills Training” means actively teaching a youth to exhibit appropriate social and emotional behavior, develop healthy peer and family relationships, provide self-care, and engage in conflict resolution. Skills training includes skill instruction, skill practice, redirection, feedback, positive praise, role modeling, promoting, encouraging, and coaching.

The Cloud is a teen-led teen center in Sitka, Alaska that serves youth ages 12-19 years old. The Cloud is open to teens 3-9pm Tuesday through Thursday, and 3-10pm Friday and Saturday. Cloud staff are responsible for supervising, engaging and empowering youth. Cloud activities include: Movie Night, Art Club, Alaska Native Culture Club, LGBTQ+ Teen Support Group, as well as facilitating fun outdoor activities.
